

From panning the Word of Life
Some small insights that will undergird those who are
called of God to walk in *present truth*.

Matthew 19:24 *And again I say unto you, It is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of God.*

Aramaic was the language that this was first spoken in by Jesus. Recorded in writing by using Greek.

The word translated '*camel*', in the Aramaic, is **GAMLA**. Also the word in Aramaic for '*rope*' is **GAMLA**. The only difference is a very tiny fleck of ink to one of the letters that makes the difference.

So the Aramaic New Testament reads this way, *Again I say unto you, it is easier for a rope to go through the eye of a needle ...* which makes a whole lot more sense!

However I did hear that in olden times the title of '*camel*' was given to the main rope for mooring a ship. The contrast in size is still the same.

You are the '*rope*' that must yield up every strand of self-effort of trying to make things happen, so that you can go through the eye of God's true purpose-needle for you. §
